**Course Description**

BUS-205 Entrepreneurship is an overview of the concepts and principles of business development and management. The use of case study analysis facilitates practical understanding and appreciation of business concepts. In addition, students gain further practical knowledge through the use of the Internet. The course provides a comprehensive perspective of ownership and management of a small business or new venture.

Chapter 14: Accessing Resources for Growth from External Sources
Chapter 15: Succession Planning and Strategies for Harvesting and Ending the Venture

Course Activities
Faculty are encouraged to use a variety of instructional techniques to encourage student learning. Research on learning shows that the straight lecture technique is not particularly effective. Lectures should focus on the basic business concepts while being interspersed with practical application to the real world of business. In order to meet the needs of diverse learners’ faculty should use videos, PowerPoint slides and the board extensively. Instructors should encourage discussions during a question and answer session.

Faculty are encouraged to incorporate use of the Internet in their assignments and projects and draw on the resources of the publisher’s web site. Students have ample access to the Internet in college labs.

Writing and Critical Thinking Requirement(s):
• Case studies
• Projects and Research reports as assigned by instructor
• In-Class Activities

BCC Attendance Policy
All students are expected to attend punctually every scheduled meeting of each course in which they are registered. Attendance and lateness policies and sanctions are to be determined by the instructor for each section of each course. These will be established in writing on the individual course outline. Attendance will be kept by the instructor for administrative and counseling purposes.

Attendance Policy
None for this class
**Students with Disabilities**

Students who are registered with The Office of Specialized Services and have received Accommodation Forms are strongly encouraged to submit these forms within the first two-weeks of classes to ensure timely delivery of these accommodations.

Students who have registered with the College's Office of Specialized Services holding completed and signed academic accommodations are to take examinations, in Moodle or in its paper form if the class meets on campus. Note: Faculty may need 24-48 hours to make alternate testing arrangements, so same day testing accommodations may not be possible to grant. The paper tests are administered by the BCC Testing Center ensuring the accommodations are met. Students should be aware that faculty may need 24-48 hours to make alternate testing arrangements, so same day testing accommodations may not be possible to grant.

**Course Policies**

There are current no department course polices for BUS 205
