TEXTBOOK:

COURSE DESCRIPTION:

*English Skills* is a one-semester course designed to improve fundamental academic skills in reading, writing, and critical thinking. Class instruction emphasizes the development of paragraph and essay writing skills, reading comprehension, sentence structure, grammar and punctuation, and vocabulary. At least 50 minutes per week of this five-hour course meets in a computer lab where there is opportunity for individualized instruction.

STUDENT LEARNING OBJECTIVES (SLO’s):

Students who successfully complete the work of this class will be able to:

1. Use and evaluate active reading strategies (i.e., annotation, journal writing, vocabulary development, paraphrase, and summary).
2. Use critical thinking strategies to improve reading (i.e., identify the main idea, topic sentences, transitions, and supporting details, recognize the difference between facts and opinions, and recognize organization strategies in sample texts).
3. Use computers to enhance writing skills and to synthesize reading and writing skills.
4. Find, evaluate, and use outside sources in written assignments (i.e., use MLA format for internal documentation of sources, avoid plagiarism, and use college library.).
5. Write multi-paragraph essays with unity, support, coherence and sentence skills.
6. Use organizational strategies for narration, description, illustration, comparison, and argument in paragraphs and essays.
7. Write error-free sentences and find and edit sentence-level errors in sample paragraphs and essays with developing proficiency.
8. Use the stages of the writing process.
9. Demonstrate academic survival skills (i.e., time management, planning, memory strategies, note taking, test taking, and utilization of college resources).
GRADING and ASSESSMENT:

A student’s final grade in EBS-021 is determined by how successfully he/she fulfills the student learning outcomes. Students will show their achievement of these outcomes through the following:

<table>
<thead>
<tr>
<th>Assignment Type</th>
<th>(Recommended Percentage)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assignments (including paragraphs, essays, journal writing, textbook exercises)</td>
<td>40%</td>
</tr>
<tr>
<td>Tests and quizzes (including department exit tests in reading and writing)</td>
<td>20%</td>
</tr>
<tr>
<td>Daily class work and participation</td>
<td>20%</td>
</tr>
<tr>
<td>Research project</td>
<td>20%</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>100%</strong></td>
</tr>
</tbody>
</table>

It should also be noted here that while EBS-021 carries five credits that will not count towards graduation status, these credits DO count in the overall cumulative average. A high grade in an EBS course can help raise a student’s average, while a low grade can bring it down. Students receiving an E or F in EBS-021 are required to repeat the course. An “E” grade is an unofficial withdrawal, given to students who stop attending a class. An “E” grade carries the same consequences as an “F” because it awards no credit and it is calculated into a student’s cumulative average. Students receiving a grade of D, C, C+, B, B+, or A and who pass the Departmental Exit Exams will move to WRT 101 (English Composition 1).

EBS EXIT TEST:
Upon successful completion of English Skills, students will be required to demonstrate their proficiency in reading, writing, and critical thinking on a departmental skills assessment test. For this test, students will be required to write a multi-paragraph essay in response to one of three specific topic statements provided and to write a summary of one of two reading selections provided. The tests will be evaluated in a group reading session by all faculty teaching English Basic Skills courses. Tests will be evaluated on the basis of reading comprehension, paragraph/essay structure, sentence structure, and grammar and punctuation. Tests will be scored on a scale of 1-6 by two readers with a combined score of 7 or better as passing. A student must pass the course and pass the Exit Test to move on to WRT 101 (English Composition 1).

ATTENDANCE POLICY:
The Bergen Community College attendance policy will apply to this course:
All students are expected to attend punctually every scheduled meeting of each course in which they are registered. Attendance and lateness policies and sanctions are to be determined by the instructor for each section of each course. These will be established in writing on the individual course outline. Attendance will be kept by the instructor for administrative and counseling purposes. Bergen Community College Catalog, 2012-2013 (63) http://www.bergen.edu/documents/academics/pdf/Catalog%202009-2010.pdf

PLAGIARISM POLICY:
Plagiarism is a form of academic dishonesty and may be a violation of U.S. Copyright laws. Plagiarism is defined as the act of taking someone else’s words, opinions, or ideas and claiming them as one’s own. Examples of plagiarism include instances in which a student:
- knowingly represents the work of others as his/her own
- represents previously completed academic work as current
- submits a paper or other academic work for credit which includes words, ideas, data or creative work of others without acknowledging the source
- uses another author’s exact words without enclosing them in quotation marks and citing them appropriately
- paraphrases or summarizes another author’s words without citing the source appropriately

Sanctions Against a Student for a Classroom Violation
1. The faculty member must report all incidents to the Chair of the Department.
2. The faculty member in consultation with the Chair will determine the course of action to be followed. This may include:
   - assigning a failing grade on the assignment
   - assigning a lower final course grade
   - failing the student in the course
   - other penalties appropriate to the violation
3. The faculty member, after making a decision, must notify the Director of Student Life and Judicial Affairs and Vice President of Student Services of the violation and the penalty imposed.
4. The student has the right to appeal the decision of the faculty member by writing to the appropriate Department Head and then to the Academic Vice President.
