Promoting the intellectual and investigative development of students, faculty and staff in the science, technology, engineering and mathematics fields and fostering strong collaborative research among community colleges, high schools and 4-year colleges and universities in New Jersey and the surrounding areas.

Friday, April 15, 2016
8 a.m. - 4 p.m.
Moses Family Meeting and Training Center
Technology Education Center, Room 128
400 Paramus Road
Paramus, NJ 07652
Why Sponsor?

STEM C² Research Summit is seeking sponsorship for its 3rd annual conference scheduled for April 15, 2016. Last year’s second annual event was a huge success with over 200 participants from 19 institutions across the Tri-State area. 16 workshops were conducted as well as over 44 posters and research displays spanning the topics of STEM (science, technology, engineering, and mathematics) pedagogy and research. Sponsorship opportunities are limited and are available on a first-come, first-served basis. Interested sponsors must act quickly to ensure participation in our rapidly expanding 2016 event.

Who Attended Last Year’s Conference?

- Bergen Community College
- Bergenfield High School
- Brookdale Community College
- Burlington County College
- Caldwell College
- Camden Community College
- Centenary College
- The City College of New York
- County College of Morris
- Essex County College
- Fairleigh Dickinson University
- Felician College
- Manhattan College
- Mercy College
- Middlesex County College
- Montclair State University
- New York City College of Technology
- Noyce Program at Montclair State University
- Ramapo College of New Jersey
- Rockland Community College
- Seton Hall University
- Stony Brook University
- William Paterson University

STEM Fields Represented

- Sustainability
- STEM Education
- Biological Sciences
- Engineering and Technology
- Physical Sciences
- Applied Mathematics
- Other
### Primary Sponsorships

Platinum, Gold, Silver and Bronze Sponsors will receive varying levels of high visibility and recognition at the event, and the added opportunity to gain significant exposure within the STEM academic community.
