The Student Government voted with their council to bring back the four-day workweek in the summer. College Council still has to agree upon a recommendation, but it is our objective to resume a four-day workweek in order to keep offices operating smoothly with regard to staff scheduling and saving college resources. Monica Postle & Magali Muniz – Agreed, and explained that the other BCC locations must be looked at, as there are other things happening 5 days a week on those campuses. Jaymee Griffin – Nothing has been voted on at College Council, because we still have to meet to discuss the recommendation. Gail Cannarozzi – Was there a discussion about seat deletes and no class openings for students?</p>

as the Vice President she needed to be voted back into the Staff Senate.

Election committee 2018: Monica Postle – Spoke about the need to establish a 2018 election committee to assist with the issues such as the ones that occurred this past election. The purpose of the election committee is to elect individuals in a timely manner. The objective is to have some overlap with membership terms starting and ending dates. Monica also wanted to address a question that was raised in the last meeting’s minutes regarding nominations. She briefly shared that the original Staff Senate members were required to submit a bio, which stated their reason for wanting to serve on the Staff Senate. Therefore, hopefully, this election will include each nominee’s bio, so when people are voting they understand who they are voting for.

Jaymee Griffin – The constitution states, elections should happen in April with members transitioning terms in June and July.

Monica Postle – We need volunteers for the election committee, so that the interested individuals can start working on the proceedings now.

Jaymee Griffin – We will bring this up in the next meeting.

Monica Postle – It might be a good idea for new members to be a part of this meeting.

Parliamentarian – Drorit Beckman (Table proposed Constitutional changes until next meeting)

Secretary - Marissa Drukker- Nothing to discuss at this time.

Public Relations - Catherine Krostek – Worked on the website, and she requested that members check to make sure their information is accurate. Monica Postle was added back to the webpage.

Catherine has also been working on the Department Spotlight but has been unable to get departments to do something at this point.

Jaymee Griffin- We will continue try to work on the reason why the Department Spotlight is not working.

Staff Growth and Professional Development

Casual Monday (March 12, 2018 10 am to 2 pm) - Ruth Ann Heck – Discussed the possible agenda for the upcoming event. She is reaching out to Lynn Schott & Joan Cohen of the library to see if they are willing to duplicate their presentation about the 50 years of BCC. Larry from PR has also offered his assistance with the event this year, because we are tying it to the 50 years of Bergen theme. If you have any input about the event, please email Ruth Ann Heck and Gail Cannarozzi.

Jaymee Griffin – Asked to send out pre-event information regarding the BYO dessert portion of the event. It is important to have a list of ingredients and a statement of allergens.

Coffee and Conversation – Ruth Ann Heck- said that Monday, November 20th at 9:15 am the cart will be going to the Veterans Office, Bursar, and Tutoring, and A-118 if there is anything leftover. The next location the cart

will visit is the library. Ruth has spoken with the Library Dean, David Marks and December 1st the cart will visit the library.

Jaymee Griffin – It would probably be a good idea to understand how many people will be there that day, so obtain a schedule of part-time library employees.

Staff Awards – Marilyn Simpson & Amarjit Kaur met to discuss the creation of the Peer Award. They looked at MIT to generate ideas for how to have staff apply for the Peer Award. The target date is June 14th at the Staff Senate Picnic.

Jaymee Griffin – said to put together ideas and work out a budget for the awards.

Catherine Krostek- Offered an idea for employee of the year.

Marilyn Simpson – Are these awards for one employee or a department?

Jaymee Griffin - It is up to your committee because it has never been done before.

Marilyn Simpson – We will continue to research. Can someone from the e-team assist?

Amarjit Kaur – Who is the body to nominate? Is there a ways to separate?

Do supervisors have to be a part of this?

Gail Cannarozzi – She suggested that it should be completely peer related and other members agreed.

Jaymee Griffin – Suggested that since it is new, try not to make it too complicated. Executive team is happy to assist when needed.

Marilyn Simpson – recommended that an ad go out in the Bergen Daily stating that the Staff Senate is looking for nominees for the Peer Recognition Award.

Staff Senate Picnic (June 14, 2018) – Ruth Ann Heck- said that the DJ has been reserved for the event already. Nothing else has been planned at this point. The beginning of January is the proposed first meeting with the picnic event planning committee. Information will be sent out to committee members closer to January.

New Staff Engagement/ Sunshine Committee – Pamela Coles & Darlene Zales-Russamano were thinking about going to the Garden Center to get a rose or flower to give to new employees with a card that we can make up.

Jaymee Griffin – Try the Horticulture department to get a rose or flower

Monica Postle – Try asking the art department students to create card.

Laura Montenegro – We should include a floor plan.

Jaymee Griffin – Do we have that we could offer it to them?

Pamela Coles -The objective is to have something unique to welcome our new employees.
