

LEARNING ASSESSMENT COMMITTEE
March 21, 2017
Minutes

Note: These Minutes reflect the stated agenda and the information told to the LAC Chair. The Chair was absent for a personal matter.

1. The LAC meeting was led by Tonia McKoy, Managing Director of Institutional Research and Jesse Jacondin, Research Assistant. Their presentation entitled, "Unlocking Program Data" highlighted reports and data on the Institutional Research website that would be useful for faculty.
2. Faculty expressed interest in the presentation and a lively dialog occurred.
3. "Homework" for the May meeting was the following two readings:
Community Colleges in the Age of Innovation and *Breakthrough Pathways to Student Success*.
