Dear Doctor Ryan:

The Radiologic Technology Board of Examiners (Board), at its meeting on May 12, 2011, reviewed the reports from the Joint Review Committee on Education in Radiologic Technology's (JRCERT) on-site evaluation regarding the school of radiation therapy technology sponsored by Bergen Community College (Bergen). The Board accepted its Program Evaluation Committee's findings and voted to award full approval of the school for the maximum period of eight years. The school is required to submit an interim accreditation report in 2015. The next site visit is tentatively scheduled for 2019.

The Board and the staff of the Bureau of X-ray Compliance would like to commend all school officials for their dedication to the education of radiation therapist and to Bergen's administration for its continued support to the school. If you have any questions or if I may be of any assistance to you or school officials, please feel free to call me at 609-984-5890.

Sincerely yours,

Albert V. Orlandi, Secretary
Radiologic Technology Board of Examiners

c: Carol A. Chovanec, M.S., R.T.(R)(T)
