Attendance will be kept by the instructor for administrative and counseling purposes.

ATTENDANCE POLICY IN THIS COURSE:

The study of a foreign-language necessitates that students attend classes regularly in order to achieve proficiency. Therefore, students are expected to attend and actively participate in every scheduled class meeting. Attendance will be taken at the beginning of each class session. Each student is responsible for all material presented. If absent from a class, students are responsible for obtaining materials missed, information on assignments, etc. by contacting a classmate, or the instructor.

Late homework will NOT be accepted after the due date. As each homework is graded for quality and there will always be homework for every class, you can add the missing homework to the next homework and gain a better grade to make up for the missing day's work.

Quizzes/pop-quizzes will be given every class, promptly at the beginning of the specified class period. Late students will not be given extra time in which to complete the quiz. There will be no make-up for a missed pop-quiz. Official documentation to validate the nature of the absence is required to make up for a Quiz.
